We Extend a Cordial Invitation . . .

to every breeder and lover of Polled Shorthorns to be our guests at the Van Wert County Fair Grounds on Saturday, October 18, 1947.

We have been asked several times why we didn't have a sale of our own. We have planned several years in advance for this sale and now feel that we are offering thirty-six of the best Polled Shorthorns that will be sold this year.

We bred the Grand Champion Bull at the National Polled Shorthorn Congress Show and Sale in 1942 and also the Reserve Champion Female. In 1943 we showed the Reserve Champion Female at the National Show and Sale. In 1944 we bred and showed the Grand Champion Female, best pair and the best three head at the National Congress.

We are selling our entire 1947 show herd which includes the Reserve Champion Bull at Ohio State Fair, Collynie Captain x.

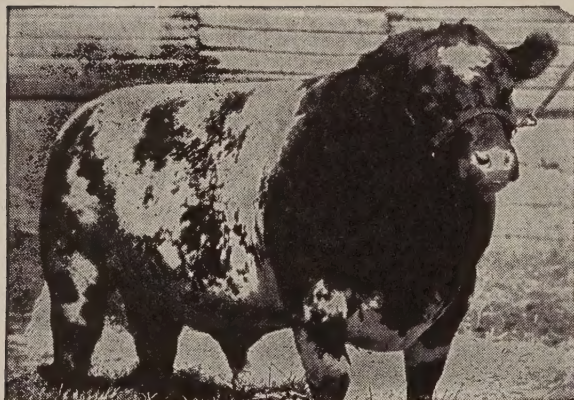

That these thirty-six animals will provide an opportunity for still further improvement of the breed is our sincere belief and that they will prove profitable to those who buy them is our greatest desire.

All are selling in fine, thrifty, growing condition and have been properly handled and fitted to insure their future usefulness. We believe we can frankly say that they represent our finest production to date.

As great believers in calthood vaccination as a preventive measure for Bangs disease control, we have successfully followed this practice for several years. Accordingly, all the females selling have been vaccinated in this respect and can safely be added to any herd in America with definite assurance of their one hundred per cent working condition as regular producers and as to their soundness of health.

CARL D. CROSS and family.

LYNNWOOD NUGGET x2201485

Our Junior Herd Sire, owned jointly by Lynnwood Farms, Carmel Indiana, and myself. He was top selling bull in the 1944 Lynnwood sale. He has already proven a great breeding bull. His first bull calf was Grand Champion bull in 1946. He is out of what Lynnwood considers the best cow on the farm and his dam was defeated only by her stallmate, Lavender Browndale 4th, and she was out of International Grand Champion cow, Scottish Daybreak 19th. Consider what a heifer would be worth bred to this young bull.

Here are a few of the winnings of his first crops of calves:

In 1946—Grand Champion Bull at the Illinois, Iowa, Nebraska State Fairs

In 1947—Top Selling Bull in Hultine-Blomstrom sale

In 1947—First Prize Heifer at National Congress Show and Sale

In 1947—First Prize Summer Yearling Illinois State Fair

In 1947—Grand Champion Female—Indiana State Fair

COLLYNIE COMMANDER x2288286

**Collynie Commander
x2288286**

This bull stood second, next to Glen Knolls Monarch, in the State Show in 1945 and was Grand Champion Bull at Ohio State Show and Sale. Purchased by Redd Bros. at Jenera, Ohio. After I saw his first crop of calves, most all dark colored and red, I was fortunate in being able to lease the bull for a few months to breed several of the heifers that are in the sale. After you have studied the merit of the calves he is siring, the worth of the heifers carrying his service will be unquestioned. We plan to have this bull there for your inspection on sale day.

Collynie Nugget
x2386940

A dark red son of Lynnwood Nugget out of a daughter of Collynie Type 3rd. Stood second in his class at Ohio State Fair, next to Grand Champion bull. An exceptionally smooth, deep, level bull, with a very good head. Cleo Hultine made the statement when I was out there last Fall that his grandmother, Rosewood Lady 4th, probably has produced more known herd bulls than any other cow in America. This bull should head a strong herd of Polled Shorthorns.

★Augusta 4th x2409880—Here is one that will suit the most critical buyer and certainly this family has produced many of our best cattle. If it wasn't for lack of number in our sale, this heifer would not be sold.

RED LADY x2409886

Red Lady x2409886

She is every bit as good as her picture shows her to be. This dependable family of Polled Shorthorns produces our best cattle. Her dam was dam of the 1940 Champion female at the Indiana State Show and Sale. Her full sister was dam of Champion female at the 1944 Ohio State Show and Sale, purchased by Cherry Hill Farm, Reisters-town, Maryland. When this heifer was dropped I made the statement that she would stay on the farm, but lacking a sufficient number of cattle, I have decided to put her in sale. Who will be her new owner?

Eliza 36th x2397208

The only double bred Collynie Goods heifer that will be in our sale. She is dark red and is about as sweet a headed heifer as you will find. She should have been in our show herd this year, as she has done well since we started showing. Her mother is one of our best cows. She is a full sister to our 1941 Grand Champion 4-H Shorthorn steer at the Ohio State Fair. Buy this little heifer and show her next year. She would certainly be a nice heifer for some 4-H boy to start in the Polled Shorthorn business.

The C. H. Bowen Consignment

Confronted with the problem of reducing the Herd in order to make room for a new Calf crop, we are listing in this Sale an exceptionally good producing group of POLLED SHORTHORN COWS. Several have Calves by their side and are re-bred and the rest are close up springers. They are all from valuable Families and will be profitable to their new Owners.
